The State Department of Toxic Substances Control  
(Department) and Equilon Enterprises LLC, a Delaware Limited  
Liability Company doing business in California (Respondent) enter  
into this Consent Order and agree as follows:

1. Respondent generates hazardous waste at the following  
site: 6451 Rosedale Highway, Bakersfield, California 93308, Areas  
1 and 2, and 3663 Gibson Street, Bakersfield, California 93308,  
Area 3 (Site).

2. The Department inspected the Site on March 20-21, 2000.

3. The Department alleges the following violations:

3.1 The Respondent violated Title 22, California Code of  
Regulations (CCR), section 66262.34(a)(1)(A) and section  
66265.171, on March 20-21, 2000 by allowing the hazardous waste  
roll-off bin containing selenium waste to leak liquid containing  
selenium onto the bundle cleaning pad located at the Area 1 and 2  
site.

3.2 The Respondent violated Title 22, CCR, section 66262.34(a)(1)(A) on March 20-21, 2000 by allowing five 55-gallon drums of waste oil located at the Area 3 bundle cleaning pad to exceed the ninety-day generator standard. The Area 3 bundle cleaning pad was not under the control of the operator, and therefore did not meet the requirements for satellite accumulation as defined in Title 22, CCR, section 66262.34(e)(1)(A).

4. A dispute exists regarding the alleged violations.

5. The parties wish to avoid the expense of litigation and to ensure prompt compliance.

6. Jurisdiction exists pursuant to Health and Safety Code (HSC) section 25187.

7. Respondent waives any right to a hearing in this matter.

8. This Consent Order shall constitute full settlement of the violations alleged above, but does not limit the Department from taking appropriate enforcement action concerning other violations.

9. Respondent does not admit the violation alleged above, except as follows: Respondent admits the facts alleged above for the purposes of any subsequent action brought pursuant to the Hazardous Waste Control Law, Health and Safety Code section 25100 et seq., within 5 years of the date the violation occurred.
